

## Live Earth Farm Discovery Program Educational Mission

We emphasize a “seed to mouth,” full circle understanding of food production and consumption, embodying an ethic of **environmental stewardship** through **organic agriculture**.

*The care of the Earth is our most ancient and most worthy, and after all our most pleasing responsibility.*

~Wendell Berry

Since its inception in 1996 Live Earth Farm has offered **hands-on** learning encounters for students of all ages. Our school tours

are designed to be **grade and age level appropriate**. All farm visits will include:

- a tour of the farm property,
- a seasonal farm activity,
- a grade level, content standards based or age level appropriate learning activity,
- and a reflection activity

We are happy to provide you with the kind of farm experience you are looking for. Please inform us of any special needs, requirements or desires.

## Live Earth Farm Discovery Program Field Trips

### Seasonal Farm Activities

Students visiting the farm will participate in any number of seasonal farm activities depending on what is happening on the farm at the time of their visit. Possibilities include:

- Planting seeds or seedlings in the greenhouse or in the field
- Harvesting fruits and vegetables
- Weeding
- Mulching
- Pruning fruit trees
- Caring for our goats and chickens

A favorite site on the farm for past visitors has always been the animal pens. Students may have the opportunity to collect eggs from our hen house, milk the goats, or bottle feed their kids.

### Planning Your Visit

**Tailored Activities:** We are happy to accommodate your curricular needs as best we can. Please let us know what your class is working on so we may design activities that supplement work being done in the classroom.

**Cost:** We ask visitors to pay on a sliding scale from **\$7-10 per student**. A larger contribution will help to support this program and the visits of groups that cannot afford this fee. Please do not let inability to pay stop you from coming, contact us.

**Deposit:** A \$50 deposit is required to hold and confirm your reservation. The balance due must be paid at least one week prior to your visit.

### Visit Request Form

To Schedule a visit . . .

Call, E-mail or, Return this form to:  
Live Earth Farm Discovery Program  
c/o Jessica Ridgeway  
PO Box 3490  
Freedom, CA 95019

Please choose 3 possible days for your visit in order of preference (refer to our updated calendar available on our website at ).
